## International Mobility Roadmap

The past, the futur and the present of my mobility

## Past international experiences

### Peru

I had the pleasure of hiking in the Andes and of living with the inhabitants. I also discovered the culture the habitants of Amazony

### United Kingdom

I went to the UK on several ocasions

- Went to London with my middleschool
- Went to Yorkshirk in a family friends house
- Traveled across england with my familly

# Present experiences Present experiences

### Maintaining intercultural experiences

Despite how the current times have been making international experience hard to obtain. I maintained intercultural experiences over the internet. I have talked regurarly with friends and total strangers with sites that allow me to meet a randomly selected stranger.

A map of all the web encounters I had recently

### Futur

Prospects and interests for international mobility
